8. **Courses to be sailed.** Courses to be sailed are described on Lake Pleasant Chart L. TransLoch entrants will sail one race each day, following the course on the TransLoch Chart.
9. **Scoring.** Class rules may modify the low-point system, Appendix A4. One race is required to constitute a series.
 - a. A boat starting later than fifteen (15) minutes after her starting signal will be scored "did not start" (DNS). This changes rule A4.
 - b. A boat may retire (RET) from a race and receive a score equal to the number of starters in that race, except if she starts alone in her fleet she shall sail the entire course to be scored as a finishing boat. This changes rule A4.
 - c. Boats failing to finish within 45 minutes after the first boat in her fleet finishes will be scored "time limit expired" (TLE). Boats scored TLE shall receive points equal to the number of boats finishing within the time limit plus two points. This changes rule A4.
 - d. Unless changed by fleet rules, discards shall be 20% (rounded down) of all races in the series. TransLoch will have no discards.
10. **PHRF.** PHRF fleets shall sail under the Southern California PHRF Class rules effective May 2017. If a boat's rating is not listed in SoCal PHRF, US Sailing PHRF average handicap will be substituted. PHRF certificates are not required, but, at his discretion, the AYC Racing Fleet Captain may require an entrant to obtain a SoCal PHRF certificate if the entrant's rating is disputed.
11. **Prizes.** Prizes are based on number of fleet entries: 3-4 entries, one award; 5-6 entries, two awards; 7-9 entries, 3 awards; 10+ entries, four awards.
12. **Championship Race Qualification.** An AYC Fleet Champion shall be the AYC member entrant with the lowest combined score within each active fleet, determined by combining all of an entrant's scores for the fall and spring series and then discarding 20% (rounded down). To be eligible, the entrant must have obtained full or junior membership status before the final race of the spring series. Only champions of active fleets plus the current AYC Club Champion are eligible to participate in the AYC Club Championship Regatta.

Note: Race entrants and race crews are expected to assist with their fleet's race committee duty.
