

## US SAILING SPORTSMANSHIP AWARD

US Sailing has a Sportsmanship Program that recognizes good sportsmanship on the local and national levels. This trophy fosters yacht racing's traditional Corinthian values of fair play and concern for fellow competitors. It's also the club's "MVP" trophy given to someone who has made outstanding contributions to the organization. Arizona Yacht Club's US Sailing Sportsman of the Year is awarded at our annual Commodore's Party.

1988 Charley Fife
