

TALL CACTUS REGATTA

In May 1987, the first annual Tall Cactus Regatta was held at Roosevelt Lake. This fun regatta is hosted by the AYC Cruising Fleet Captain and has become the longest-running single cruising event. The Tall Cactus is open to everyone and has netted many new members for AYC. Though participation dropped in the 21st century, we still try to hold a Challenge between AYC and the Tucson Sailing Club. The winner of this challenge wins the coveted Bean Pot Trophy. Besides the honor of cleaning and polishing the Pot, this winner gets his/her name and yacht club engraved on the Pot and decides the next year's challenge.
