The race committee race course indicates the course using simple directions posted left to right. The letter "O" is for orange; the letter "B" is for Blue. In this case the orange mark is taken first, then the blue. The course may also use a single mark taken to port: Start-Mark-Finish.

Start Sequence

Three minutes before the start, RC raises your fleet flag. Two minutes before the start the preparatory flag goes up; one minute to the start, the prep flag comes down; and your fleet flag drops at the start. Horns sound with each flag change.
