

Sailing Instructions

Arizona Yacht Club Spring 2022
Tempe Town Lake, Arizona

1. **Rules.** The series will be governed by the rules as defined in the Racing Rules of Sailing (RRS) and applicable class and fleet rules, which are available from fleet captains.
2. **Changes to Sailing Instructions.** Any changes to the Sailing Instructions may be published on the AYC Web site, www.arizonayachtclub.org. The Race Committee may also communicate instructions orally to the crews before the start of the event or while the boats are on the water by displaying "Come within hail" (code flag "L").
3. **Schedule.** First warning signal at 2 pm during January and February; 3 pm during March and April. No warning signal will be sounded more than two and a half hours after the first scheduled warning.
4. **Class Flags.** Class flags will be displayed for Laser, C14.2, and Sunfish fleets. A flag with Pm will show for Portsmouth fleet. A Jolly Roger symbol will show for Juniors.
5. **Racing Area and Courses.** Tempe Town Lake Chart C shows the courses and course designations. All rounding marks are left to port. Gates may be used.
6. **Marks.** Marks will be inflatable yellow and orange cylinders and tetrahedrons. Juniors will use narrow blue and orange inflated cylinders.
7. **Check-in and Checkout.** Each boat must check in before her first race each day by sailing past the Race Committee shore position and hailing fleet and sail number. A boat that retires from a race or retires from racing before the end of the race day shall notify the Race Committee as soon as possible.
8. **Starting and finishing line.** The starting line and finishing line is the same line and will be between the two small white buoys. After starting and completing the first leg of her course, a racing boat shall not pass through the start or finish line except to finish. Unless corrected, she shall be scored "Did Not Finish" (DNF) without a hearing.
9. **The Start.** The races will use three-minute starts defined in Tempe Town Lake Course Chart C on the arizonayachtclub.org website. This changes RRS 26. To save time and when possible, after the first start the race committee will use rolling three-minute start sequences for subsequent fleets. Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races. (See RRS#23)
10. If any part of a boat's hull is on the **course side** of the starting line at her starting signal and she is identified, the race committee may attempt to hail her sail number. Failure to hail her number, failure of her to hear such a hail, or the order in which boats are hailed will not be grounds for a redress request. This changes RRS 62.1(a).
11. **Penalty System.** RRS 44.1 is changed so that the Two-Turns Penalty is replaced by the One-Turn Penalty.
12. **Protests.** Competitors are to submit protests within the protest time that ends at 8 pm on race Sundays. Protest forms are available on the arizonayachtclub.org website, on the US Sailing app, or may be a simple email meeting the requirements of RRS 61.2. Send protests to protest@arizonayachtclub.org. Protest and redress hearings will be virtual and parties and witnesses to hearings shall have access to a device that has internet accessibility with audio and video capability. A time and date of a hearing will be established by the Protest Committee Chair as quickly as possible, but the protest must be heard before the next race weekend, or 14 days, whichever is shorter.
